1. What is truth?

2. Is truth the same as what can be proved?

3. My thoughts are not your thoughts,
for as the heavens are higher than the earth,
so are my ways higher than your ways, and
my thoughts higher than your thoughts.

An our testimonies based on deductive logic —
if so, we are surely limited in our search for truth.

Truth is like a mystery — true in every interpretation
that is: in all circumstances and in all ages —
truth is eternal and everlasting.
2. Is truth relative?

Recall: We can make some statements true or false depending on our interpretation.

\[ \forall x \exists y (y > x) \] is true for all integers.
\[ \forall x \exists y (y > x) \] is false for finite domains.

This is Satan's cunning ruse — things which are false can be made to look true by imposing certain interpretations — the philosophies of men, mingled with sorceries.

Do we let the interpretations of this world destroy our testimonies — if so, we are allowing Satan's unneeded to allow for God's ways to prevail over Satan's ways (interpretations).

Remember Korihor, the antichrist, who was deceived? Alma 30:52-53  He let Satan's interpretation rule and ruin his life.
Models

3. Are models understandable?

Recall: We have a terminology (truth) only if something is true for every interpretation.

The idea is that whenever the facts and conditions are true, the entailed conditions are true.

The factors (whether are facts given — which are eternal) — the consequences are therefore also true. It is our task to understand God's model. This is why we speak in the science of a giving provision.

Dec 13th 2021 There is a basic universally declared in Reason before the foundation of the earth, upon which all teachings are predicated — And when we obtain any learning from Declared is by reference to that laid upon which all our production...
Faith + Testimony

4. Can we discover all truth on our own?

Gödel's Incompleteness Theorem: "No matter what consistent proof system one selects, there is some expression [condition, consequence, truth] that is true but [not] provable!"

"For no man can know the things of God except by the Spirit of God."

And what is God's way? — Faith + Testimony

Based on prompting + pure intelligence that flows from the Holy Ghost.

This is why we are baptized & given the gift of the Holy Ghost. And this is how we become sanctified and gain exaltation.

Testimony

I know not because I have proved...

— mankind can do."
